Deputy Headteacher: Mrs C Clifford

Dear Parents,

At the start of next term Year One will be learning about seasonal changes. As part of this focus, we will be walking to Southampton Common on Tuesday 14th January 2020. Whilst we are at the common the children will be observing signs of the current season and discussing the types of trees around. We would be grateful for any parent helpers who could walk there and back with us. We aim to leave by 9.15am and return to school by 11.15am roughly.

If you are able to walk with us on this day, please let your child's teacher know ASAP.

Thank you,

Year 1 Teachers
